

## INTENT TO MINE

Prime Time Development, LLC has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand/clay in South Carolina. A proposed reclamation plan has been submitted indicating the site will be restored to lake/pond and residential after mining. The proposed mine is located in Berkeley County approximately 3 miles southeast of Huger, South Carolina. The mine is comprised of two separate excavations. Both excavations are located north of S.C. Secondary Road S-8-598 (United Drive); specifically the excavations are located 1.5 and 2.0 miles southeast of the junction of United Drive with Primary Highway 41. Comments or inquiries concerning this application should be sent to the attention of Marianna DePratter, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4263. Comments must be received by the SCDHEC before 5:00 p.m. on October 28, 2008. The proposed mining project is located within the S.C. Coastal Zone and this advertisement serves as notification to the public of the commencement of the S.C. Coastal Zone Consistency review. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
